Putnam County, Ohio

Putnam County Transportation Resource Guide

Welcome to the first edition of the Putnam County Transportation Resource Guide. This publication is made available through partnerships from local stakeholders who serve on the Putnam County Transportation Committee. The committee was formed in order to build a strong network of transportation professionals who work together to address the diverse transportation needs of the community. Through these partnerships, safe, affordable, dependable and accessible county-wide transportation services shall continue and grow as the needs of the county changes.

The Putnam County Transportation Committee extends an invitation to any organization or individual who would like to be a part of this group. For more information on the Transportation Committee, please contact Jodi Warnecke at the Putnam County Council on Aging, Inc. at 419-523-4121.

A special thank you is extended to Mennonite Home Communities of Ohio, the Putnam County Council on Aging, Inc. and St. Rita's Health Partners for making it possible for this valuable resource to be printed and distributed throughout Putnam County.

Disclaimer: The information included in this publication is meant to serve as a guide. Please note that information in the guide such as cost, eligibility, services, etc. is subject to change at any time. For up to date information, please contact the provider directly.

Transportation is provided in wheelchair accessible vans and agency cars by professionally trained and caring personnel. Advanced notice is required for transportation services.

Eligibility: Putnam County resident age 60 and better.

Days/Hours of Service: Monday through Friday from 8:00 a.m. to 4:30 p.m.

Geographic Areas Covered:

Allen, Defiance, Hancock, Henry, Paulding, Putnam and Van Wert counties for medical appointments. Within Putnam County for personal business and essential errands.

Wheelchair Accessible: Yes

Cost: All services are free and offered regardless of income. Donations are graciously accepted. A suggested donation list may be obtained by calling the Council on Aging office.

Tips for Scheduling Appointments:

1. Please contact the Council on Aging as soon as you receive your doctor's appointment.
2. Please have your doctor's address available when you call to schedule your transport.
3. When calling in your transport, please let us know of any special needs you may have such as: using a walker or wheelchair, oxygen, family member riding along, etc.
4. If you cancel your doctor's appointment, please remember to call the Council on Aging to cancel your transport.
5. When the driver arrives at your home, please allow them to escort you. Please understand that this is our agency policy.
6. Please be ready to leave at your estimated pick-up time. Please be aware that weather (fog, snow, heavy rain, etc.) may be a factor that could affect your pick-up time.
7. If you have pets in the home, please make sure they are secured before the driver arrives.
8. Please consider our office hours of 8:00 a.m. to 4:30 p.m., Monday through Friday, when scheduling your appointments.
9. Please be aware that we do not allow food and drinks in our vehicles.
10. If you have any additional stops to make on the day of your appointment, please call them into the office ahead of time so we can allow enough time for those stops.

Putnam County Council on Aging, Inc.—Continued

Tips for Scheduling Transportation Continued:

11. During the winter months, please keep your sidewalk and driveway clear of ice and snow. Please make arrangements to have a family member, friend or neighbor clear a path wide enough for two people to walk side by side from your door to the vehicle. Our number one priority is your safety.

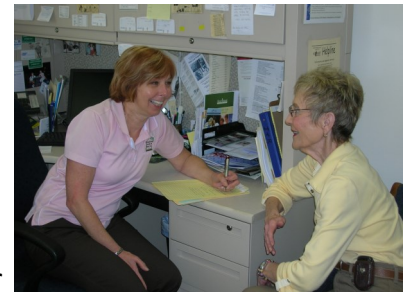

Brief Description of Other Services Offered:

Chore Services: The chore program helps older adults remain safe and secure in their homes by providing assistance with seasonal needs, minor home repairs, home maintenance and other tasks which older adults are no longer able to perform. Examples include: rake leaves, wash windows, trim shrubs, clean spouts and eaves, install grab bars and handrails and so much more.

A Matter of Balance (MOB): The MOB program is an award-winning program designed to help older adults manage falls and increase activity levels. The program is a free, eight week program. It is held once a week for eight consecutive weeks. Each session is two hours. The MOB participants will learn to view falls as something they can control, set goals and increase activity levels, make changes to reduce fall risks at home and exercise to increase strength and balance.

Outreach and Information and Referral: Navigating community resources can be confusing at any age. An Outreach Specialist is available to provide personalized help to link older adults, their loved ones and their caregivers to community resources in order to maintain their independence.

Telephone Reassurance: To ensure the continued well-being of older adults who are isolated or homebound, our staff provide a regular daily telephone call to provide companionship, conversation and a check on their well-being. If a problem occurs at the senior's home, a pre-arranged plan of action is initiated.

Additional Information:

The Putnam County Council on Aging, Inc. is a non-profit organization established in 1978. The agencies mission is to provide services to Putnam County residents, age 60 and better, to enable them to remain independent in their own home for as long as possible. All services are free and offered regardless of income. The Council on Aging is an United Way of Putnam County Partner Agency.
